The Mexican that was stabbed at Washington Camp last week is getting well. The man was stabbed by a countryman at a dance but when Sheriff Leatherwood when after the "carver" all those present swore his victim had cut himself by accident.

Every person living in a town should always be energetic in all public im-

provements. If the town becomes dull and business not as rushing as you would desire, do not sit down and grumble, but put forth your best efforts to make the town lively which will always make your business better.

Mr. Enrique Acevedo and Miss Anita Elias were married last Saturday morning in Nogales, Sonora. Mr. Acevedo is one of the Mexican custom house employees and a very popular young man and the bride is one of the belles of Nogales. THE VIDETTE wishes the young couple all the happiness possible.

The young man is bright and active and will make a good clerk for the place. Sam Webb, Jr., is now running on the road in place of Sullivan.

A little girl who has been taught to pray for others, and anything she wants, surprised her mother when she concluded her prayer: "And now, Oh, God, take good care of yourself, for if anything should happen to you we would only have McKinley to help us, and he ain't doing near as well as we expected."

Mrs. Chas. Walton returned to Minas Prietas last Saturday morning after a stay of several weeks with friends in Nogales. Friday Mrs. Walton had a raffle of fancy work that was made by the pupils in the convent where her daughter Lydia, is attending school. I suppose now that I am a family man I will have to attend holy worship." Rev. Heald pointed out the proper building and bright and early next morning the colonel was on hand. He says he likes it so well that he will attend every meeting and is going to learn a little prayer to say.

Board of Supervisors.

The morning session yesterday was almost entirely occupied in going over the annual statement of the sheriff for 1897.

Supervisor Samaniego offered a motion that the county attorney be requested to furnish the board an opinion in writing as to the legality of the election by the board on Oct. 29, of A. C. Bernard to fill the unexpired term of Fred G. Hughes, who was elected in 1897 for the term of two years. The motion was not seconded, however after some discussion the matter was simplified to merely a request to the clerk that such an opinion be obtained.

At the afternoon session a number of bills were audited and allowed.

A certificate of indebtedness of Pinal county in favor of Pima county for \$620.05 was received and ordered transferred to W. H. Barnes as attorney for J. B. Scott, et al. Hunting Black Jack.

An organized and determined effort has been inaugurated to kill or capture the Black Jack gang of outlaws who since last May have had headquarters at Chuachupa, a Mormon colony, about one hundred miles southwest of Casas Grandes, in an isolated locality in the Sierra Madre. The posse of the United States deputy marshals, under command of J. D. Milton, who captured the Stein's Pass train robbers, went on into Sonora, Mexico, where they were joined by Colonel Emilio Kosterlitzki with twenty picked troopers. Thence the whole party, commanded by Colonel Kosterlitzki, went swiftly across the mountains and south of Chuachupa. The outlaws had fled, but the posse collected evidence that will tell against them if caught. The posse then returned north. Not one of the posse credits the report that Black Jack has been killed.—El Paso Times.

FOR SALE.—A fine ranch twelve miles square, twenty-five miles from Nogales in Sonora. The ranch is well watered and has fruit and grazing land. A rare bargain. Apply to THE VIDETTE office or to Srta. Armen Elias de Aguirre, Nogales, Sonora.

A friend recommended Dr. Miles' Nerve, and I purchased a bottle under protest as I had tried so many remedies unsuccessfully, I thought it no use.
